

Wildcard Singles Qualifying Tournament

Saturday, January 20th, 2018 at Berks Lanes (Reading)

Purpose:

This tournament is for individuals from schools that do not have a PIAA board-recognized bowling program; this event is a way to qualify for the Eastern PA Regional High School Bowling Championships to be conducted in early March in Lancaster.

Background:

The PA State High School Bowling Championships have been conducted since the early 1990's by a committee of league coordinators and run in accordance with PIAA regulations and procedures. In 2008, regional championships were established as a way to qualify for the PA State Championships. Criteria was established for interscholastic leagues to determine qualifiers for both the team portion and singles division through regular season play. In addition, for schools that have established interscholastic programs but are not part of a high school league, a one-day tournament is held for those independent teams and/or singles to qualify for regionals.

In the past, any bowler whose school did not have an established board-recognized bowling program was unable to qualify for regionals. For this year, in accordance with the "PIAA POLICY CONCERNING QUALIFICATION FOR POSTSEASON COMPETITION OF INDIVIDUAL STUDENTS FROM SCHOOLS THAT DO NOT SPONSOR A TEAM DURING THE REGULAR SEASON", we are conducting a qualifying tournament for those individuals.

NOTE: Schools that do not have a board-recognized bowling program are still not permitted to qualify for the team portion of the Eastern PA Regional Championships.

Entries:

This tournament is open to any 9th through 12th grade individuals of PIAA member schools that are part of Districts 1, 2, 3, 4, 11 and 12 that do not have a board-recognized bowling program. **Individuals wanting to participate in the wildcard qualifier tournament must meet the PIAA rules regarding eligibility (academic and residential) and have a PIAA certified physical. All individuals must be represented by a coach designated by the school or by a full-time professional employee of the school or school district in lieu of a Coach. Boys must have a 170 average or higher and girls must have a 150 average or higher to enter the tournament.** {A printout of the individual's average from www.bowl.com or a copy of the individual's youth league standings sheet must accompany the entry form.}

Format:

The tournament will consist of each bowler initially rolling 4 games. At that point, a set number of bowlers will automatically earn qualifying spots. The rest of the field will bowl 3 more games for the last remaining spot. **Based on the number of entries, 1 in 4 will qualify for regionals (minimum 3, maximum 6) – changes can be made at the tournament director's digression.**

Location:

Berks Lanes will host the tournament and the facility will be a non-smoking environment and no alcohol will be permitted in the bowling center.
